

Peter Calvert Young Sportsperson Award 2019

from the

Tottenham Grammar School Foundation

Do you know a Haringey resident sportsperson aged up to 21 years with outstanding talent who has successfully competed at District, County or National levels in their chosen sport?

NOMINATIONS are now being sought by the Tottenham Grammar School Foundation for the inaugural “Peter Calvert Young Sportsperson Award”.

For its first year, the Trustees of the Foundation have decided that the Award will have a value of

£1,500

Over the last 30 years the Tottenham Grammar School Foundation has financially supported education and sport in the London Borough of Haringey. Since 1988 many thousands of young Haringey residents have benefited from the Foundation’s programme of awards, scholarships, bursaries and grants either directly, or through their school or through one of numerous partner organisations and clubs also working for the Borough’s young people. Former Governor of the Tottenham Grammar School, Peter Calvert, was at the centre of the process that led to the establishment of the Foundation in its current form. Throughout its first fifteen years, Peter managed the Foundation’s day to day operations and designed and implemented procedures that remain embodied within many of the systems still in use today. Sadly, Peter died in March 2018 following a long illness.

Peter Calvert had a love for cricket and rugby but he would always encourage the promotion of every sport as a means for fitness and community participation. He had a particular interest in cricket for blind and visually handicapped young people. After consulting Peter’s widow, the Trustees of the Foundation have decided to create this very special Award in his memory.

The nominations deadline for the 2019 Peter Calvert Young Sportsperson Award is 1st April 2019. Nomination forms can be downloaded from the Foundation’s website by
